

Alhena Top Spotlight

The Alhena range of LED ceiling lights consists of various luminaires in a tubular form. Alhena fittings are available in a variety of lengths and diameters and are constructed from solid brass. They are extremely effective feature lights and draw attention and focus to a particular point, ideal for application above dining tables or above seating.

The Alhena 40 Top is a Ø40mm luminaire and Alhena 50 Top is a Ø50mm luminaire, are available in a single length as standard although custom lengths are available on request.
